➢ Payment Policy

At Shreedhar Masale and Food Products, we believe in a fair and transparent relationship with our customers. To ensure the smooth processing of your order and the freshness of our handmade spices, we follow a two-step payment process.

❖ 25% Advance Payment (Pre-Dispatch)

To confirm your order and begin the packaging process, we require a 25% advance payment of the total invoice value. Once your order is placed, you will receive payment details (UPI/Bank Transfer). Your order will be officially processed and prepared for dispatch only after this 25% deposit is received.

This helps us prevent "fake orders" and ensures that our small-batch, fresh food products are reserved specifically for genuine customers.

(Please note that once a 25% advance payment is made, the order is considered confirmed and cannot be cancelled. This deposit covers initial processing and material costs secured specifically for your order)

❖ 75% Cash on Delivery (COD)

The remaining 75% of the amount is to be paid at the time of delivery. You can pay the balance in cash or via available digital methods directly to the delivery partner when the parcel reaches your doorstep.

This gives you the peace of mind that the majority of the payment is only made once the product is in your hands.

❖ Accepted Payment Methods

For your convenience, we accept:

- **Digital Payments**: GPay, PhonePe, or UPI for the 25% advance.
- **Cash**: For the remaining 75% at the time of delivery.

❖ Why do we have this policy?

As a business dealing in authentic, perishable food products from the Konkan region, we take great care in preparing every pack. This "Partial Advance" policy ensures a commitment from both sides—we commit to sending you the highest quality spices, and you commit to receiving them.

(Note: If you wish to pay 100% in advance to avoid handling cash at delivery, please let us know during the order process, and we will be happy to assist you.)
